## JULY 7-14, Pride RV Resort, Waynesville, NC

Photos taken by Bobbi and Larry are on our Facebook page, and photos taken by Cheryl are on our Shutterfly site with a link on our website.

Thanks to Linda Bartlett and Larry Massey for hosting the July campout; they did a terrific job. We had 27 people at the campout: 22 members (Linda Bartlett and Larry Massey [Co-Hosts], Bobbi Harden, Daryl Sponseller, Bob Hollup, Cheryl Love, John Henry Markham, David Poole, Sharon Hatch, Vicki Glover, Joan Wilson, Helen Patterson, Linda Kendall, Marvin Panch, Carolyn Huffstutter, Annette Whitner, Jeannine Fontaine, Barbara Overby, Mary Kay Williams, W. Ron Henderson, Gene Dixon, and Sandie Burns); and 5 guests (Bette Ivy, Martin Smith, Zetta Baker, Adele Newman, and Mitzi Flint).

As with most of our campouts this year, we had quite a bit of rain; but we also had a pavilion or a room for our get-togethers at the campground. Linda Bartlett made a taco salad and coconut cake for everyone on Sunday evening and made a pancake-and-sausage breakfast for us one morning.

Waynesville is in a beautiful area of Western North Carolina with many natural and man-made attractions and activities, and we saw and did as much as we could in a week. Most of us went to Harrah's Cherokee Casino on Monday. Those who went with Larry made several stops along the scenic route to enjoy the views and take photos, while Bobbi and I went to the Oconaluftee Indian Village before going on to play the penny machines at Harrah's.

Most everyone went for lunch on Thursday to the Pisgah Inn on the Blue Ridge Parkway and then to Looking Glass Falls and Sliding Rock (a natural water slide) in Pisgah National Forest. Unfortunately, the day was cloudy so the view from the Inn was blocked by clouds, and people weren't allowed in the water at Sliding Rock because heavy rains had made it too dangerous. But all the rain increased the water flow over the waterfall and cascades and made for great photo ops.

Most of us visited downtown Waynesville at least once to browse the cute shops and have lunch, and many went back to enjoy Music on Main on Friday evening. Most everyone also had dinner at Moonshine Grill on Saturday and then went to the Stompin' Ground for a fun night of dancing.

Seven of us went to Hot Springs, North Carolina, to enjoy the natural hot springs. Larry made a couple of trips to Cataloochee Valley to take two groups to see the pioneer buildings and the elk herd that has been reintroduced to Smoky Mountain National Park. Daryl and her sister went to Chimney Rock State Park.

Some rode the sky lift up to the recently reopened Ghost Town and saw the cowboy gunfight and saloon can can show. A few of us rode with Larry up a winding mountain road to the Cataloochee Guest Ranch for the spectacular view and pie and coffee in front of a roaring fire in the fireplace—midday in July and it was great. We played Bingo, card bingo, poker, and had a putt putt tournament. We visited flea markets; and, of course, we had our daily 8:30 am coffee and 4 pm happy hour and our Wednesday pot luck dinner. Good times, good people, life is good.
