### Links

**SeLoW Website:** <http://selows.lonersonwheels.com/>. Our Campout Schedule, Newsletters, and some campout slide shows are on the site.

**Southeast Lows on Facebook:** In Facebook, enter *Southeast Lows* in the Search box. Any member can post campout pictures to our Facebook page.

**Shutterfly:** Was having a bad day and thought Facebook had made uploading photos much more time-consuming, so I set up a share site on Shutterfly. The same 77 photos from the June campout are on Facebook and on this site. Current URL is: <http://www.selowphotos.shutterfly.com> but have requested that it be changed to <http://www.selows.shutterfly.com>, so if the first link doesn't work, click the second link. Once on the site, click Photos and Videos>View Album. You can click the larger square at the bottom of the page for a larger size, or double-click the first photo and then scroll through by clicking the arrows.

### Membership

We have three new members: Arlene Williams, Hoschton, GA; Lynda Blackford, Montverde, FL; and Vicki Glover, Flowery Branch, GA. The updated Membership Roster is attached to the email with this newsletter (to members only). We now have 58 SeLoW members.

### JUNE 2-9 McKinney Campground (on Lake Allatoona)

77 photos from the June campout are on our Facebook page and on a new Shutterfly share site—see the links above.

We had 18 people at the campout: 15 members (Bobbi Harden [host], Daryl Sponseller, Cheryl Love, John Henry Markham, David Poole, Sharon Hatch, Larry Massey, Vicki Glover, Christine Logan, Linda Bartlett, Joan Wilson, Lynda Blackford, Helen Patterson, Linda Kendall, and Arlene Williams); and three guests (Kay Gleason, Barbara Stewart, and Bill Smith).

As in May, it rained most of the day on Sunday so we drove to the campground in the rain and most of us set up in the rain. John Henry postponed his hot-dog-chili-and-sauerkraut dinner until Monday evening. On Tuesday morning, Linda Bartlett made a pancake breakfast and Bobbi and Christine brought sausage and ham to go with the pancakes. On Tuesday evening, Linda Kendall made Long Island Ice Tea for

Happy Hour. We had our usual daily 8:30 AM coffee, 4 PM happy hour, Wednesday pot luck, and Thursday pot-luck leftovers. We were having a business meeting after pot luck on Wednesday, but it was interrupted by two young women who had been locked out of their camper. We adjourned to help and Joan went with them to try to either get them in or find a place to stay until help arrived. They were able to pick the lock with a bobby pin.

Also as in May, we worked our schedule around the weather. Bobbi brought her two wave runners for us all to enjoy, but Tuesday and Wednesday were the only two days we were able to ride them, relax on the campground beach, and swim in the lake. Was a lot of fun—thanks for bringing the wave runners and helping everyone ride them, Bobbi.

Monday, we went to the Marietta Visitors Center, had lunch, browsed shops, Larry visited the Marietta Museum of History, Daryl and Linda Kendall bought fun wigs at the magic shop, and we drove by the infamous KFC Big Chicken. Thursday, some of us went to the Atlanta Aquarium—the largest in the world, while others visited the World of Coca-Cola and went on the CNN Studio Tour. Friday, we went to the Cartersville Visitors Center, had lunch and then some of us went to the Tellus Science Museum and some went to the Booth Western Art Museum. On Saturday morning, Linda Kendall showed the women how to braid our T-shirts, and that afternoon we all went to Stone Mountain, rode the skylift, and then watched the fireworks and laser show.
